

YOUNG MINDS, LOUD VOICES

Strophe 1:

Around the fire, we sing as one
Hearts wide open, worries gone
Different paths, but here we meet
Sharing laughter, warmth, and beat

Text und Musik: Antonia Riegler
Produzent: Dominik Beyer
Arr.: Antonia Riegler & Lukas Auer

Refrain:

Rise up, we're stronger together
hand in hand, now and forever
shine like the stars above
Rise up, in friendship and love

Strophe 2:

Gemeinsam stark, wir stehen hier
Freunde fürs Leben, ich und ihr
ein Lied erklingt, das uns vereint
wo Frieden lebt und Hoffnung scheint

Refrain:

Rise up, we're stronger together
hand in hand, now and forever
shine like the stars above
Rise up, in friendship and love

Strophe 3:

We are the children of the working class
we break the silence of the past
Together we rise in unity
revolution: solidarity

Refrain:

Rise up, we're stronger together
hand in hand, now and forever
shine like the stars above
Rise up, in friendship and love
